## DAY 2: AMALFI COAST

**AM:** Breakfast at your hotel

**9:00 AM: Private Tour – Amalfi Coast Experience with English Speaking Driver (Duration: Full Day)**

Magically suspended between the blue sky and the iridescent colored sea, the Amalfi coast seems to be born from the palette of a painter who wanted to use the warmer color gradients for creating a landscape that enchants the visitor at the first shot. There are 13 towns spreading across a strip of land kissed by the sun and declared by UNESCO “World Heritage Site”: Let’s go to visit the highlights!

**Program:**

- Pick-up from your hotel by private car.
- Departure to Amalfi, driving through the villages of Praiano, Furore and Conca dei Marini.
- Stop in Amalfi, the original town of hand-made paper

production and free time at leisure.

- Stop in Ravello, a magic panoramic terrace as described by the most noted travelers and elected “a Spiritual Homeland”. Aperitif on a terrace Not miss the visit of the gardens of Villa Rufolo!

## DAY 3: Enogastronomic Tour

**AM: Breakfast at your hotel.** Check out

**8:30 AM: Small Tour: Enogastronomic Tour (max 20 people)**

Meeting point in Sorrento center at about 8:30.

In the morning our driver will lead you to Schiazzano, a rural and small town near the city of Massa Lubrense surrounded by greenery.

During the day you will visit a characteristic farm with its wonderful lemon, orange and olive groves and where the owner will be pleased to show you all the cultivation and production techniques handed down from father to son; you will taste extra virgin oil, limoncello and different flavoured oils.

The day continues with the discovery of one of our gastronomic treasure, you will see all the production phases of Mozzarella and Provolone del Monaco D.O.P. and taste this homemade product in different kinds ( fior di latte, caciotta, ricotta... ) produced according the “KM 0” philosophy.

The last step will be a traditional pizzeria in the heart of the country. You will attend the demonstration of the preparation of this delight and will eat our special Pizza Margherita. The return is expected in early afternoon.

**Lunch/Dinner:** Independent

**Overnight at Grand hotel De La Minerve\*\*\*\*\* deluxe room**

## DAY 4: Benevento – Matera

**AM:** Breakfast at your hotel. Check out

**Meeting with your driver and departure to Benevento, visit of the city, home of the legend of the witches.**

An aura of history permeates the ancient land of the Samnites, named Beneventum by the Romans. It is a Province filled with archaeological sites and marvelous landscapes. Entering it is akin to blurring the confines of present and past and means discovering the folkloric and gastronomic traditions that root themselves in distant history. The ingredients of Sannio gastronomy have been the same for centuries: extra-virgin olive oil, fresh handmade pasta, beef, sheep and pork, cheese, honey, fruit, walnuts and chestnuts. The name of the town of Benevento is linked with a special yellow liquor, known as "Strega" (The Witch) and the Torrone, a dessert made with honey and hazelnuts.

**In the morning private city tour (around 3 hours) and visit of Torrone company. Lunch in a typical trattoria.  
Departure towards Matera. Check in overnight in Matera at Sant'Angelo Resort suite room**

## DAY 5: Matera

**AM:** Breakfast at your hotel

### **9:00 AM: Private Tour - Matera Guided Tour (Duration: approx 2 hours)**

A tour of the Sassi districts along beautiful paths, discovering the typical courtyards surrounded by cavehouses. Breath-taking views will frame the fascinating history account of one of the oldest cities in the world, following a scenic route that winds around stairways, squares and alleys, often running along rooftops. Visit to a large complex including two rock churches, a monastery and a cellar, all in caves. Visit to typical dwellings equipped with the original tools and furniture used by the family that was moved last to a new district purposely built for poor farmers in the '50s.

**Lunch:** Independent lunch

### **PM: Private Gastronomic tour: bread and mozzarella.**

In the past, bread was the most important food for poor peasants, therefore its making, its typical shape, the bread stamp, had an important role in the whole process. Visit a typical bakery and tasting of some local products (Matera's bread, focaccia, biscuits), hearing the story telling of the baker. Transfer to the "caseificio" (cheese factory) to experience the hand making of mozzarella, caciocavallo and the renowned burrata. You will have never tasted such ready-made, creamy goodness!

**Overnight in Matera at Sant'Angelo resort suite room**

## DAY 6: Matera – Castellaneta Marina

**AM:** Breakfast at your hotel. Check out
